

S.1 Integrated Humanities  
Growth & Development of Hong Kong  
Mini Project – Local Heritage Studies

Name: WONG HOK HIM (33) Class: 1C Date: 13<sup>th</sup> February 2021

FROM PAST TO PRESENT

1. Study the pictures below and answer the following questions.

Complete the following table with reference to the above pictures. Some answers have been given as examples.

Picture	Object	Relevant forms of transportation	Information provided
A	A poster	Railway	Timetable, routes, and promotional message of the railway company
B	A ticket	Buses	Fare & routes
C	A stamp	Ferries	Fare, picture of star ferry & Royal logos
D	A ticket	Trams	Fare & regulating of tram

2. Take a selfie in a street historical building that tell us about the history of Hong Kong. For example, Boundary Street, Queen's Road, Clock Tower in Film like Time, Government House in Central, Shering Wo Street in Ho Man Tin etc.

3. Then, find a photo of the street historical building that were taken in the past, say 20 to 50 years ago, on the Internet/in the history books.

4. Compare the look of the street/historical building of the past with that of the present. Write a brief introduction of this street/historical building (About 50 words).

For example:

Pottinger Street was the first street named after a governor. It was also called Stone-board Street (石板街) because it was the only street at the time to be built from stone boards. The pictures show Pottinger Street in early 20<sup>th</sup> century (left) and today (right).

Stone-board street originly named Pottinger street. Is a street build<sup>ed</sup> by stone-board. In the past there <sup>were</sup> is a lot of shops in the street but now there are only a few shops left in Stone-board street. Pottinger street was named by the first Governor in Hong Kong.
